Hello Sarah,

I see that on the data there are the bulky item requests; however, I was wondering if we may get the bulky item / illegal dumping tonnage collected from CD7.

Subject: Data Collection

To: Sarah Bell <sarah.bell@lacity.org>

Hello Sarah,

Like I mentioned, the office is looking to collect data from our departments so we may create an annual statistics report. We would like to know the data on the following:

1. Illegal dumping citations / notices issued in our district starting from July 1st- present
2. Tons or pounds of bulky item and trash picked up in our district starting from July 1st- present.

If your team may please have this by Monday the latest, because we still need to design the flyer and get several approvals that may take a few days.

Thanks for all your help let me know if you any questions,

Cristian Tafoya, Caseworker
